

The Newest ABA Team is Now in Indy

The American Basketball Association (ABA) is the largest professional sports league in the United States. With nearly 100 teams to date, it is one of the most diversified pro sports leagues ever with over 75% of its teams owned by African-Americans, Women, Hispanics and Asians. We're proud to bring ABA Basketball back to Indianapolis and look forward to entertaining this city for years to come!

Where Are The Games Played?

We're happy to announce that **Arsenal Tech High School** will be our home venue for this season!

We look forward to playing in this wonderful facility this season. **Tech** is located at 1500 E Michigan Street in Downtown Indy.

Where Do The Players Come From?

The teams are made up of former NBA players, top international players and well-known Division I & II players. The level of our players is outstanding and the ABA rules are a combination of the best of the NBA, NCAA and international rules, with some unique ABA things thrown in to make it a higher scoring, faster paced and more exciting game.

Bring your entire family to watch these fun filled fast moving games.

The best part is that we are going to provide exciting professional basketball at affordable prices.

You know what it costs for tickets to most sporting events in Indianapolis.

Our prices are only \$10 for adults, \$5 for kids - and you can be sure that you'll be seeing the most exciting basketball to happen in Indy since the original Indiana Pacers with Mel Daniels, George McGinnis, Roger Brown, Billy Keller, Bob Netolicky and others.

Please visit our web site for ticket information or just pay at the door.

Concession Stands and All Stars Merchandise is available at all games.
