Uniting to make a difference

- Do you, a business owner or concerned citizen want to get involved?
- Do you know someone with a criminal background seeking employment or housing?
- Do you have an old conviction still blocking your path to employment?
- Are you recently released, homeless and unemployed?
- Are you trying to help an incarcerated, soon to be released loved one and don't know where to turn?
- Are “you” in position to help connect the dots?

If you answer yes to any of these questions, this is the forum for you!
