Uniting to make a difference

QUESTION...

- Are you tired of someone else trying to define your problems?
- Does it seem “your” door of opportunity is locked from both sides?
- Are the dreams and goals you once had now a vague memory?
- Do you feel like you’re in this all by yourself?
- Are you trying to help an incarcerated, soon to be released loved one and don’t know where to turn?

If you answer yes to any of these questions, this is the forum for you!
