Visit www.SafeTown.org for a powerful web site tool that empower citizens to share information with local law enforcement, fire, emergency services, and other citizens to make communities a better, safer place to live.

For Non-Emergency Support, please visit an HRH Support Coach at 916 E. Michigan St. in Indy 46202.

HRH Support Coaches help those in need find and gain access to:

- 1) Food, clothing, water, and personal hygiene items;
- 2) Information on where to get help finding a job and some type of shelter/housing to get off the street into a safe environment;
- 3) Information on where to get professional help such as counseling for mental health, medical problems, drug and alcohol problems;
- 4) A friend to develop a relationship with, someone to pray with or just talk to about daily needs.

HRH believes that everybody is somebody and deserves respect and a second chance. Everyone needs a friend to confide in from time to time (spiritual or otherwise); even if it's just for a few minutes a day. **HRH & HHOOT's Helpers want to be there for them.**
